To whom it may concern,

We are looking to get updated sweaters for the staff, volunteers, and students at our center. If you are interested in purchasing a sweater for yourself or child please fill out the section but we hope to get it around. The more orders we get the lower the price will be per each sweater. If you are interested make sure to fill out this form. The prices will become available the following week based on how many people are interested in purchasing.

Name _____ (Person interested in purchasing).
